Security Package 2 – Advanced AI-Powered Surveillance

Who Are We?

Since 2007, Comsec has been committed to providing top-tier security solutions to businesses across Alberta. Based in Camrose, our skilled team includes technicians with over 55 years of combined experience, and we are actively training additional experts to meet the increasing demand for security systems.

We distribute GeoVision surveillance equipment, recognized globally for excellence, and use DSC hardware for alarm systems, ensuring robust and reliable protection. Our client portfolio includes Domino's Pizza locations, liquor stores, fast food outlets, car dealerships, and more.

In response to the diverse needs of small businesses, Comsec offers two customizable security packages.
